

Lemon Cream Scouring Cleaner

JOYOUS HEALTH

Recipe by Kathrin Brunner from Joyous Health

Ingredients:

- 1 cup baking soda
- 1/4 cup castile soap
- 1/4 cup water
- 40 drops lemon essential oil

Instructions:

1. Mix all ingredients in a jar. If you'd prefer a thinner consistency, add a little extra water.

Notes:

Use on kitchen counters, sinks, tubs, stove tops and ovens. The baking soda helps to remove dirt and grime without scratching surfaces. It also acts as a natural deodorizer.

The castile soap cleans and lifts dirt and grime. The lemon essential oil adds a lovely scent and also helps to cut through grease. Extras keep for several weeks, just stir again before use.
